The academic calendar for this batch has been designed in such a way that their next academic term does not suffer. At Wismar University, the classes for those following subjects will be held regularly for 6 weeks. At the end of program, students have to appear in the final exam at Wismar University.

Students who opt for IEP will have to go to Germany during this summer to take the courses at Wismar University. After successfully completion of the courses and passing the exam at Wismar University, a student may be given credit at GTU. This student will not have to retake the course when he/she resume his/her study back at his/her parent college. A student, who passes the exam successfully at Wismar University, will be able to take two less subjects during the final year.

GTU will get VISA related papers from Wismar University for the selected students and then the students have to apply for the VISA on their own.

Please note that short listing does not guarantee the visa for a student, since every student has to fill up the visa application form and supply the necessary info to the Embassy in India. Wismar University and GTU will help by recommending the names of the selected student to Germany Embassy.

**Duration of the program: For MBA 23rd June to 1st August
For Electrical 16th June to 25th July**
